

Camps, Excursions Policy & Procedure

PURPOSE

To explain to our school community the processes and procedures Warrnambool East PS will use when planning and conducting camps, excursions and adventure activities for students.

SCOPE

This policy applies to all camps and excursions organised by Warrnambool East PS. This policy also applies to adventure activities organised by Warrnambool East PS, regardless of whether or not they take place on or off school grounds, and to school sleep-overs.

This policy is intended to complement the Department's policy and guidelines on excursions, camps and adventure activities which all Victorian government schools are required to follow. Warrnambool East PS will follow both this policy, as well as the Department's policy and guidelines when planning for and conducting camps and excursions.

This policy does not apply to student workplace learning or intercampus travel.

DEFINITIONS

Excursions:

For the purpose of this policy, excursions are activities organised by the school where the students:

- are taken out of the school grounds (for example, a camp, day excursion, school sports);
- undertake adventure activities, regardless of whether or not they occur outside the school grounds;
- Attend school 'sleep-overs' on school grounds
- **Camps** are excursions involving at least one night's accommodation (including school sleep-overs).

Local excursions are excursions to locations within walking distance of the school and do not involve 'Adventure Activities'. (see attachment)

Adventure activities are activities that involve a greater than normal risk. Further information and examples of adventure activities are available on the Department's website under Adventure Activities, at the following link: <https://www.education.vic.gov.au/school/principals/spag/safety/pages/adventure.aspx>

POLICY

Camps and excursions can provide a valuable educational experience for our students which are complementary to their learning, as they provide access to resources, environments and expertise that may not be available in the classroom and can allow students to contribute to community service and activities.

For all camps and excursions, including adventure activities, our school will follow the Department's School Policy and Advisory Guide: [Excursions and Activities](#)

For camps and excursions requiring school council approval, our school will also follow the Department's School Policy and Advisory Guide: [Safety Guidelines for Education Outdoors](#).

Planning process for camps and excursions

All camps and excursions will comply with Department planning requirements.

Part of this planning process includes conducting risk assessments, to ensure that reasonable steps are taken to minimise the risks associated with each proposed camp or excursion. Warrnambool East PS's risk assessment will include consideration of arrangements for supervision of students and consideration of the risk of bushfire activity in the excursion location. In the event of a Code Red Day as notified by DET and the Bureau of Meteorology (See Emergency management plan) being announced, excursions or camp activities in effected locations will be cancelled or rescheduled. Planning will also cover arrangements for cancelling, recalling or altering the camp or excursion for any other reason.

Warrnambool East PS is committed to ensuring students with additional needs are provided with an inclusive camps and excursions program and will work with families during the planning stage, as needed, to support all students' attendance and participation in camp and excursion activities.

In cases where a camp or excursion involves a particular class or year level group, the Organising Teacher will ensure that there is an alternative educational program available and appropriate supervision for those students not attending the camp or excursion.

Supervision

Warrnambool East PS follows the Department's guidelines in relation to supervision of students during excursions and camps.

All excursion staff (including parent volunteers) will be familiar with supervision requirements and the specific procedures for dealing with emergencies on each camp and excursion.

All school staff will be aware that they retain overall responsibility for the supervision and care of students throughout all camps and excursions (including adventure activities), regardless of whether or not external providers are managing the activity.

Parent volunteers

Parents may be invited to assist with camps and excursions. School staff will notify parents/carers of any costs associated with attending. School staff are in charge of camps and excursions and parent/carer volunteers are expected to follow teachers' instructions. When deciding which parents/carers will attend, the Organising Teacher will take into account: any valuable skills the parents/carers have to offer (e.g. bus licence, first aid etc.) and the special needs of particular students.

Parent, Volunteer and external provider checks

Warrnambool East PS requires all parent or carer camp or excursion volunteers and all external providers working directly with our students to have a current Working with Children Check card.

Parent/carer consent

For all camps and excursions, other than local excursions, Warrnambool East PS will provide parents/carers with a specific consent form outlining the details of the proposed activity. Warrnambool East PS uses Compass to inform parents about camps and excursions and to seek their consent and this is to be provided the night before the excursion. Parents/carers are encouraged to contact the school to discuss any questions or concerns that they or their child may have with a proposed camp or excursion.

For local excursions, Warrnambool East PS will provide parents and carers with an annual Local Excursions consent form at the start of each school year or upon enrolment if students enrol during the school year. Warrnambool East PS will also provide advance notice to parents/carers of an upcoming local excursion through COMPASS or a note with your child/children. For local excursions that occur on a recurring basis (for example weekly outings to the local oval for sports lessons), Warrnambool East PS will notify parents once only prior to the commencement of the recurring event.

Cost of camps and excursions, refunds and support

The cost of all camps and excursions are to be paid by parents/carers unless alternative arrangements have been agreed to by the Principal prior to the excursion. All families will be given sufficient time to make payments for all activities. Consent forms will have clearly stated payment amounts and payment finalisation dates.

Students who have not finalised payment by the required date will not be allowed to attend unless the Principal determines exceptional circumstances apply.

Warrnambool East PS will make all efforts to ensure that students are not excluded for financial reasons. Families experiencing financial difficulty are invited to discuss alternative payment arrangements with the Business Manager or Principal. The Business Manager/Principal can also discuss family eligibility for the Department's Camps, Sports and Excursions Fund (CSEF), which provides payments for eligible students to attend school activities, including camps and excursions. Applications for the CSEF are open to families holding a valid means-tested concession card or temporary foster parents and are facilitated by the school. Further information about the CSEF and the application form are available at [Camps, Sports and Excursions Fund](#).

If a camp or excursion is cancelled or altered by the school, or a student is no longer able to attend part or all of the camp or excursion, our school will consider requests for partial or full refunds of payments made by parents/carers on a case-by-case basis taking into account the individual circumstances. Generally we will not be able to refund payments made for costs that have already been paid where those funds have already been transferred or committed to a third party and no refund is available to the school. Where possible, we will provide information about refunds to parents/carers at the time of payment.

Student health

Parents and carers need to ensure the school has up-to-date student health information prior to camps and excursions. A member of staff will be appointed with responsibility for the health needs of the students for each camp/excursion. Teachers will administer any medication provided according to our *Medication* policy and the student's signed *Medication Authority Form*. To meet the school's obligations relating to safety, a first aid kit and mobile phone will be taken by teachers on all camps and excursions.

It is the responsibility of parents and carers to ensure their child/children are in good health when attending excursions and camps. If a student becomes ill during a camp and is not able to continue at camp it is the parent/carer's responsibility to collect them and cover any associated costs. If the Principal approves a student joining a camp late, transport to the camp is the parent/carer's responsibility.

Behaviour expectations

Students participating in camps and excursions are required to cooperate and display appropriate behaviour to ensure the camp or excursion is a safe, positive and educational experience for all students involved.

Parents/carers will be notified if their child is in danger of losing the privilege to participate in an excursion or camp due to behaviour that does not meet the standards of behaviour set out in the school's *Student Wellbeing and Engagement Policy, Bullying Prevention Policy and internet agreement policy*). The decision to exclude a student will be made by the Principal or Assistant Principal, in consultation with the Organising Teacher. Both the parent/carer and the student will be informed of this decision prior to the camp or excursion.

If on a camp or excursion the Teacher in Charge considers an individual student's behaviour does not meet required standards, then the Principal or their nominee may determine that a student should return home during the camp or excursion. In these circumstances the parent/carer is responsible for the collection of the student and any costs associated with this.

When planning any activity or excursion all the needs of students with special needs or disability must be considered and their parents consulted to ensure their inclusion based on:

SAME BASIS, REASONABLE ADJUSTMENTS, UNIVERSAL DESIGN (eliminate the need for constant adjustments and create an educational experience that ensures any student with disability is able to participate) **and ACADEMIC INTEGRITY**

Does the event provide varied, flexible activities that give all students the opportunity to be involved and demonstrate their own abilities or skills?

Were all event activities reviewed to ensure that information provided by the student or their associate is taken into consideration and any requirements to enable the student to participate are actioned?

Is additional support (e.g. equipment or personnel for wheelchair transfers or other physical support) arranged?

Where the program has to include events in which the student cannot participate are reasonable substitute activities offered to ensure equal access to learning or social participation? This includes arranging transport so that students can be with friends.

Are extra-curricular and out of classroom activities informed by consultation with the student or their associate and designed to include with student?

Disciplinary measures apply to students on camps and excursions consistent with our school's *Student Wellbeing and Engagement Policy, Bullying Prevention Policy*.

Electronic Devices

Students **may** be permitted to bring electronic devices (such as iPads, iPods, mobile phones) if deemed appropriate or if the principal believes it is in the best interests of the student but these may only be used during times set by the Teacher in Charge. Students are responsible for the care of any personal electronic device brought to a camp or excursions and the school will not be responsible for lost or damaged devices.

Food

Students are not permitted to bring their own supply of food items to camps and excursions unless the item is medically indicated and discussed with the Organising Teacher, or included as an item on the clothing and equipment list for that camp or excursion.

School will liaise with food providers regarding students with food allergies or special dietary requirements. These students will be known to supervising staff.

Accident and Ambulance Cover

Any costs associated with student injury rest with parents/carers unless the Department is liable in negligence (liability is not automatic).

Unless otherwise indicated, Warrnambool East PS and the Department do not provide ambulance cover however Warrnambool East PS does provide student accident for school related activities only. Parents/carers may wish to obtain student accident insurance cover and/or ambulance cover, depending on their health insurance arrangements and any other personal considerations. NOTE: Warrnambool East PS would consider obtaining travel insurance for excursions that they consider involve a greater than normal risk, for example interstate or overseas trips. Information about travel insurance is available [here](#).

REVIEW CYCLE

This policy was last updated on May 21, 2019 and is scheduled for review in May 2023.

<p>Is it compulsory for all Victorian government schools to have a policy addressing this issue?</p>	<p>No, this school policy is optional as schools are required to follow Department's Excursions Policy and Guidelines (including for camps and adventure activities) on the Department's Policy and Advisory Library.</p> <p>However, schools are required by the Minimum Standards to have policies and procedures with respect to the safety and welfare of students <i>learning with an external provider</i> and the <i>supervision of students when engaged in off-site activities</i> (including consideration of the risk of bushfire in the activity location). The template policy provided on this page covers these aspects of the Minimum Standards in relation to camps and excursions. Other aspects of these minimum standards requirements are covered in the template policies on Visitors and Duty of Care. For all other requirements (e.g. approvals, supervision ratios etc.) you must follow the Department's Excursions Policy and Guidelines on the Department's Policy and Advisory Library.</p>
<p>Does this policy have to be approved by school council?</p>	<p>No</p>
<p>Recommended consultation</p>	<p>It is recommended that principals consult with school council when developing this policy because of their role relating to parent payments and entering into agreements with third parties such as camp operators.</p>
<p>What is the basis of this policy?</p>	<ul style="list-style-type: none"> • Minimum Standards for school registration (to the extent that the policy covers supervision of students off-site, including consideration of the risk of a bushfire, and the safety and welfare of students learning with an external provider) • Duty of care
<p>Recommended review cycle</p>	<p>3 - 4 years</p>
